DETAILED ACTION

Election/Restrictions

1. Applicant's election with traverse of invention of Group II in the reply filed on 1 September 2004 is acknowledged. The traversal is with respect to the claims of Groups II and IV and on the ground(s) that the subject matter of claim 72 is within the scope of claim 23 and the coextensive search. This is not found persuasive because both the Groups have different effects: the amended claims of Group II requires one or more aliphatic polyisocyanate curing agents comprising cationic amine salt groups or groups capable of forming cationic amine salt groups which are derived from primary amine groups and while the original claims of Group IV requires one or more aliphatic polyisocyanate curing agents comprising amine salt groups or groups capable of forming amine salt groups which are derived from primary amine group.

The requirement is still deemed proper and is therefore made FINAL.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes

and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney D. Altman on 27 September 2004.

3. The application has been amended as follows:

In the Claims:

Cancel non-elected claims 1-22 and 71-94 without prejudices to the filing of a divisional application.

4. The following is an examiner's statement of reasons for allowance: Because the elected claims have been amended to clearly distinguish from the prior art references and because of the remarks filed 1 September 2004 asserts the distinguishing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should

preferably accompany the issue fee. Such submissions should be clearly labeled

"Comments on Statement of Reasons for Allowance."
